

When you see a door, think **DO ObseRve!**

**Before stepping through,
imagine...**

Where am I going?

Who will be there?

What might be happening?

What will it be like?

**After passing through,
pause and observe...**

What do I see? (*Think with My Eyes*)

What do I hear? (*Think with My Ears*)

What do I know? (*Think with My Brain*)

What's my *Smart Guess*?
