

## HAUNTED HOUSES

### A AUNTIE MORTEM'S ABATTOIR

Uncover the family's new tactics to keep the business running... no matter what (or who) comes through the door.

### B TWISTED CARNEVIL

Watch your back! One of the new performers in the big top leaves more than a mark... they leave a permanent impression.

### C NEW! KILLOFILL GARAGE

Find out what fuels the killers as well as what goes on behind the rusted chain link fence. But stay alert, the screams start when the engine dies.

### D ESTATE OF EVIL

Discover the all-new sauna room that is sure to make you sweat. Be warned: the last guests who overstayed their welcome are still feeling the heat.

### E HAUNTED COAL MINE CURSE OF THE TOMMYKNOCKERS

Step inside a new room that offers a breath of relief... but not for long. Down there, not everything that breathes is human.

## SCARE ZONES

### F MIDWAY OF MISERY

The Decayed Brigade is back beyond the Midway arch, and this year, the crew has grown to claim the Midway of Misery as their own. Every scrape and scream marks their grim return!

### G FALLOUT ZONE

The green fog is back, and radiation is spreading. Chaos is rising, and the real threat isn't the fallout... it's the aftermath.

### H NEW! PATH OF SHADOWS

The Path Of Shadows has opened and 3 mysterious witches have emerged. Tread carefully or run the risk of becoming the next victim of the Coven's Curse.

### I DARKSTONE'S BATTLE FOR SPRING CREEK

The creatures are under Darkstone's command for now, but you can feel the danger in the air. Stay hidden or be hunted.
